DISCIPLESHIP GROUPS

MS + HS

CCLEs are open to those students who desire to participate in our Discipleship Program. The desire of our discipleship program is to both train and provide opportunities for students to learn how to help one another grow in their faith. Our faith journey is a community project. It doesn't form strictly as the result of adults pouring into the lives of students, but students discovering and owning their faith on their own and with one another.

We believe the discipleship program both develops students, but also paves the way for our CCLE trips in the summer as we join our mission partners near and far.
