

DAY ONE

SEEING GOD IN CREATION • ROMANS 1:20

SAY THIS:
FOCUS ON WHAT
YOU CAN SEE.

**REMEMBER
THIS:**

"Let us keep looking to Jesus.
He is the one who started
this journey of faith. And He
is the one who completes
the journey of faith."
HEBREWS 12:2A, NIV

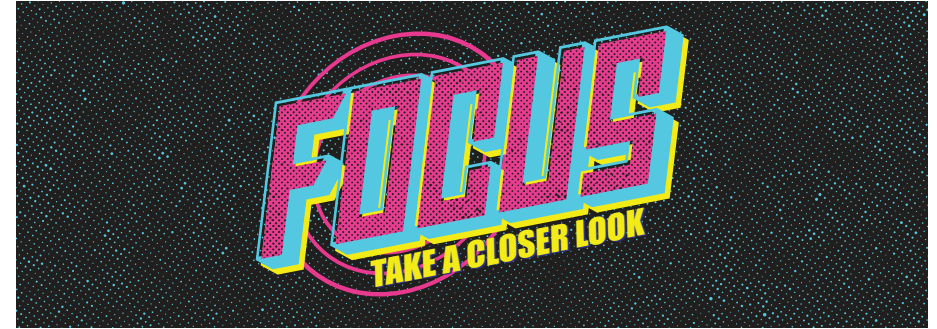

DO THIS:

Tell your child to take a look out
the window during this ride.
Ask them to focus on what God
has created and call out things
they see. Follow up with this
question: What is your favorite
thing that God created?

FAITH:

TRUSTING IN WHAT YOU CAN'T SEE
BECAUSE OF WHAT YOU CAN SEE

Blog By Reggie Joiner

Have you ever considered that you may be the best chance your son or daughter has to see God? I know it's scary, but it's true. Think about it. You can't really see God, can you?

There are no tangible, verifiable images you can hold up and say, "This is God." It's too bad social media didn't exist thousands of years ago. It would have settled a lot of issues for most of the skeptics.

The fact is, in everyone's story of faith, there are people who show up and become catalysts for their spiritual growth. Chances are you believe what you believe and do what you do because someone influenced your faith. In some cases it was a parent, in others it was a significant adult who showed up at the right time in your life.

.....

Supplies needed

From Home:

-Blank Paper
-Washable Markers
-Paper Towels
-Bible marked at Romans 1:20

In your Kit:

-FOCUS Notebook
-Thumb
"Pictionary" cards
-Magnifying glass
-"What do you see" activity sheet.

•**Opener** – Thumb-Pictionary – Place the stack of "Pictionary" cards face down. Kids and parents take turns drawing a card from the pile and then draw the picture for the others to guess. First, make their thumb prints by coloring one thumb with a washable marker, then draw designs around them like the cards (cloud, sunshine, etc.).

•**Bible point** – After playing the game, use the magnifying glass, or the magnifier on your phone, to have kids look closely at their fingerprints. Have them describe something unique they see about their prints. Explain that we have all been made in God's image, and God made everything we enjoy in creation. Romans 1:20 tells us that we can understand more about God by looking at what he created.

•**Today's bottom line is FOCUS on what you can SEE.** When we look at everything that God made it points us to him!

•**Activity** – As a family fill out the "What do you see" activity sheet as a scavenger hunt!

•**FOCUS notebook** (this can be saved for bedtime)– draw something God made OR finish the sentence, "I see you God when I focus on..."

•**Close in prayer** – "God, you are amazing! You are so creative! We just have to look at the numbers of the colors in the world to see your creativity. You love us so much. Thank you for showing us who you are in your creation! In Jesus' name, Amen."
