MAKE WAVES

What you do today can change the world around you.

BASIC TRUTH

I should treat others the way I want to be treated.

WHAT YOU DO:

- Read Galatians 5:22-23a. This is the verse you will be studying this summer.
- Creatively decorate and doodle on the "LOVE" lettering while you think about the things below.
 - The theme for the summer is "Make Waves," and you'll be learning how the things you do today can change the world around you.
 - You can make waves and impact the world by showing love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.
- Ask yourself:
 - Did you notice that love is the first thing mentioned in the verse? Why do you think that is?
 - What is the most important thing God asks us to do?
 - Why do you think everything else comes as a result of loving God and others?
- Hang up your decorated page somewhere at home so you can see it all summer long as you continue discussing this verse and learning how to make an impact on the world.
