### MAKE WAVES

**What you do today can change the world around you.**

### BASIC TRUTH

**I should treat others the way I want to be treated.**

### WHAT YOU DO:

- Think of things that make you impatient. (ie: getting stuck in traffic or waiting for the bus or train, being the last one in line for lunch in the cafeteria at school, waiting for your big sister or brother to finish getting ready for school in the bathroom so you can use it, etc.).
- Each time you think of what makes you impatient, shake the snow globe or sensory bottle you created. If you don't have one, just think about what a snow globe looks like when you shake it.
- Now set it down and allow the glitter a chance to settle and separate again.
- Our tempers can stir up conflict, much like the bottle of snow globe.
  - Sometimes, our tempers can cause things to get quite messy.
  - It can take a long time to settle everything down again, back to the way it was.
  - Remember God can always help you when you are upset!
